

September is Suicide Prevention Month

Everyday in the U.S. over 20 veterans die of suicide.

HELL OR HIGH SEAS is a documentary film that follows U.S. Navy veteran Taylor Grieger and writer Stephen O'Shea as they embark on the adventure of a lifetime – sailing around Cape Horn, the world's most treacherous ocean waters. A moving portrait of a veteran using his own painful journey with PTSD to find healing for himself, and pave a smoother path for veterans returning to civilian life.
